

Discovering Potential

Funding to hire and train youth in Canada's electricity sector

What is it?

Financial incentive program helping employers create full-time, paid internships and training opportunities for youth under 30 in STEM and related fields.

Program highlights

- ▶ Up to \$22,000 per placement
- ▶ Covers 75% of wages and/or 100% of training costs
- ▶ Supports unemployed or underemployed youth under 30
- ▶ Promotes positive environmental outcomes through STEM roles

Why participate?

- ▶ Reduce hiring costs
- ▶ Offset risk with wage and training subsidies
- ▶ Build your talent pipeline and future workforce
- ▶ Invest in the next generation of electricity professionals
